## Get a fast start!

Starting mail service is easy with FastStart®! Order your prescriptions online, by phone, by mail or ask your doctor to order it for you.

Once your prescription is on file, ordering refills online is convenient, fast and a great way to manage your long-term medications! Click on the refill link to get the fastest refills or even select automatic refills and renewals of your common, long-term drugs. CVS Caremark will automatically refill eligible drugs or request a new prescription from your doctor when an eligible prescription expires or runs out of refills.

## Explore ways to save

At Caremark.com, you can explore the lowest cost options before you order, or see how you can save on your existing prescriptions. Click on “Check Drug Cost” or the Savings Center to compare the price of retail vs. mail service, and brand name vs. generic drugs.

## Know your options

Caremark.com helps you make informed decisions. You can check pricing and coverage on your plan, find a local pharmacy or even check for drug interactions. With your prescription benefits information online, you can find ways to maximize your prescription benefits.

## Caremark.com puts the power in your hands

Caremark.com is designed to help you explore ways to save, keep track of your prescription benefits and manage your own alerts. You can even give family members permission to manage prescriptions online, if they are on your benefit plan. We put the power in your hands, so you can maximize your prescription benefits.

The screenshot shows the CVS Caremark website homepage. At the top, there is a navigation bar with the CVS Caremark logo, a search bar, and links for "English | Español". Below the navigation bar, there are several promotional banners and sections. The main banner features a woman in a straw hat and the text "Use the Caremark check drug cost tool for potential savings." Below this, there are three main sections: "Member Quick Links" with links like "Refill a Prescription" and "Check Drug Cost"; "Health Information & Tools" with sub-sections like "Cancer Treatments" and "Coping with Diabetes"; and "Information Center" with a sign-up for eNewsletters. At the bottom, there is a "Products & Services" section with a link to "Generics".
