# An update on your specialty Rx benefit

*We're rolling out a new program to help you save*

**Your specialty prescription benefit plan will look a little different.**

## Here's what's new

PrudentRx has collaborated with CVS Caremark® to offer a third-party (manufacturer) copay assistance program* that may help save you money when you fill your prescription through CVS Specialty®.

## How it works

We will work with you to obtain third-party copay assistance for your medication, if available.** Once you're enrolled, you'll pay nothing out-of-pocket† – that's right, $0! – for medications on your plan's specialty drug list dispensed by CVS Specialty.

## How to get started

You will be automatically enrolled in the program. You can choose to opt-out at any time.

**Questions?**

Call PrudentRx at **1-888-203-1768**, Monday through Friday, from 8 AM to 8 PM ET.

---

*Not all specialty prescriptions offer assistance. Eligibility for third-party copay assistance program is dependent on the applicable terms and conditions required by that particular program and are subject to change.

**Some manufacturers require you to sign up to take advantage of the copay assistance that they provide for their medications – in that case, you must call PrudentRx to participate in the copay assistance for that medication. PrudentRx will also contact you if you are required to enroll in the copay assistance for any medication that you take. If you do not return their call, choose to opt-out of the program, or if you do not affirmatively enroll in any copay assistance as required by a manufacturer, you will be responsible for 30 percent of the cost of your specialty medications.

†Out-of-pocket maximum is the amount you must pay each policy year before the policy starts paying the full benefits. This may be for the whole family and/or one person alone.
