

# Register today so you are ready when you need care

## » How to Register Through the Web Portal

1. Visit [MyFlexCare.com](https://myflexcare.com) and click on "[Member Portal](#)"

2. Click on "[Register Now](#)"

3. Input your [Full Name](#), [Member Number](#) (from your FlexCare membership card), [Date of Birth & Relationship](#). Then enter your Email Address and create a Password.

4. You are registered. Click on the left navigation bar to access your Digital Health programs.

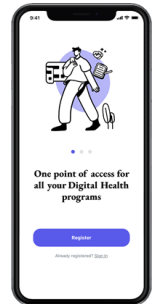

5. To add dependents, click [Dependents](#) on navigation bar.

## » How to Register Through the FlexCare Digital Health App

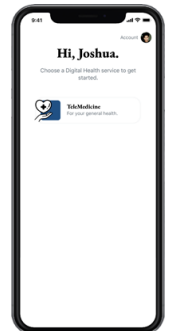

1. Get the [FlexCare Digital Health](#) app in the App Store or Google Play Store.

2. Click "[Register](#)"

3. Input your [Full Name](#), [Member Number](#) (from your FlexCare membership card), [Date of Birth & Relationship](#). Then enter your Email Address and create a Password.

4. [You are registered](#). Click on the applicable icon to access your Digital Health programs.

5. To add dependents, click on the [Account](#) icon, then [Dependents](#).

After adding dependents, those over 18 will need to follow steps 1-3 above to create their own account (member number is the same for everyone in your household). Dependents under 18 will access FlexCare through your account.

## Register today and be prepared for a virtual visit the next time you need one
